

Helping Families with a Holiday Meal

Please help the Montgomery County Office of Children & Youth provide needy families with a holiday meal this Thanksgiving!

The Office of Children & Youth is collecting non-perishable food items and grocery store gift cards for families. Our goal is to provide each family with a basket or box of non-perishable food items coupled with a grocery store gift card for purchase of a turkey, ham, or other food item to complete their holiday meal.

Providing the Thanksgiving baskets not only affords families a holiday meal that they would otherwise do without, it also provides families with the opportunity for quality family time together that is often lacking for so many families today.

Food baskets and gift cards are needed on or before November 16, 2017 in order to allow for adequate time for delivery to individual families.

Please contact Veronica Hilghman at (610) 278-5885 for additional information.

Thank you!!!

Montgomery County Office of Children & Youth Annual Holiday Gift Card Drive

The Office of Children & Youth is asking for your support for abused and neglected children during the upcoming holiday season...

Our office supports thousands of needy children throughout Montgomery County during the holidays. We need your support for abused, neglected and abandoned children. Please purchase gift cards from stores of your choosing and provide them to the Office of Children & Youth.

Why gift cards?

- Professional Casework Staff use the gift cards to make purchases which match a child's individual holiday requests (gift cards are not given directly to the child)
- Gift cards eliminate concerns of toy recalls & product safety issues related to donated toys
- Gift cards meet the unique needs of the children and families receiving our services
- Gift cards empower caregivers of the children to meet child specific needs and wishes

It is easy to participate: While shopping for your own family, simply pick up one or several gift cards from any store of your choosing in denominations of \$10 to \$25 and provide those gift cards to the Office of Children & Youth. Pick-up arrangements can be made by our office if needed. Children & Youth Holiday Giving Program contact person is Veronica Hilghman (610) 278-5800 x5885.

Thank you for making a child's individual wishes and dreams come true at holiday time!
