

LAWN TO MEADOW TRAINING

JOIN US!

The Pennsylvania Environmental Council (PEC), Pennypack Ecological Restoration Trust (PERT), and ArcheWild invite public works personnel, private landowners, facility managers, and others to this comprehensive training opportunity to learn about the conversion of lawn to meadow. This workshop will consist of a half day in the classroom to learn about design, implementation, and maintenance, and a half day in the field to see these systems in practice.

DAY AT A GLANCE

Morning Session: PERT

- Visit June Fete and Raytharn meadows
- Learn about site prep & meadow establishment

Afternoon Session: ArcheWild

- Overview of *Practitioner's Guidebook*
- Site evaluation
- Seed selection
- Maintenance

Coffee, snacks, and lunch will be provided!

9AM - 4PM

AUGUST 26TH 2026

2955 Edge Hill Rd,
Huntingdon Valley, PA

Participants will gain
access to the larger
**Practitioner's Guidebook
& Toolkit** to support this
ongoing work.
